

## CHURCH CLEANING ROSTER from 8 July 2019 to 30 September 2019

**Please note:** As weekday Masses are being held in the John Fisher room during the winter months, Fr Stuart would like the John Fisher room vacuumed please. Please check on the main church and if it looks like it needs a vacuum, please do so (the main church is only being used on the weekends).

Please contact one another on your rostered week & arrange a suitable time to meet. If you cannot get together at the same time, you can clean on a day that suits you – write on the clipboard in the cleaning cupboard (in the Church foyer) so the other cleaners know what you have done.

If something is not working properly or needs replacing, please write it on the clipboard or advise Jan in the office ph 07 575 4807 or email: [admin@allsaintsbythesea.nz](mailto:admin@allsaintsbythesea.nz)

**Also:** If the Church foyer carpet looks dirty, then please vacuum it. If it looks clean, then there is no need to vacuum it. (The foyer vacuuming is being monitored also by a commercial cleaner who will vacuum it only when it is necessary i.e. dirty).
