HEADHUNTING all males over 18 years: A boys weekend opportunity at Kings College. On the **28-30 Sept**. You all get your **own** bedroom, meals and a shared bathroom. Your weekend is with other men from this parish and other parishes in NZ. Christian men are mature. They constantly strive for excellence. They are excited about living purposefully. They remain composed when others crumble. Age does not limit them. They are not afraid to be a community or to network with other men who profess to being Christian. They refuse to judge another person as being weak, or weird, or insignificant, because they are not afraid of allowing others or themselves, room for growth. This life coaching weekend has been put together by the Joshua Men's group. There is financial support for those who need it. Register online: Joshua.org.nz
Are you prepared to spend a weekend aside for life planning and allowing the time and space to discern the good and the wonderful plans that God has for your life?
