

## **Parish Advisory Council**

I would like to invite all parishioners to pray for the parish, it's people and pastors. I also ask you to discern if you or someone you know would be a valuable member of a new parish council to work with me as we continue our journey of faith together.

If you would like to be part of the new council then please complete an application form, all it requires is your name, signature and contact details plus the name and signature of a supporter or nominator. A brief outline of your skills would be helpful but not essential. Later in the month or I will meet with you all to move the process forward.

What is the Parish Advisory Council? It is a group of parishioners who will advise and work with me, and two of the Deacons to help guide the life of the parish. At this stage I see it having three groups within it, Pastoral/Spiritual, Liturgy and Mission..

This is an opportunity for those who may be new to the parish also to get more involved in the life of the parish. I hope more will want to participate than the nine positions available, that is a healthy sign and will obviously require discernment and prayer to determine the final selection.

You may have an interest in being part of the Parish Finance Committee, I have asked the current committee to continue until the end of the financial year (31 December 2018). But I do want a smooth transfer so would want to appoint the new committee by December. If you are interested in this you may also complete the form and I will meet with you later in the year.

God Bless

Father Stuart
