Caritas agencies around the world are hosting events and launching local campaigns with refugees and migrants at the centre, encouraging communities to welcome, protect, promote and integrate.

**THE GOSPEL OF OUR LIVES - by Joy Cowley and Father Alan Roberts - 11/12 August:** It is sometimes said that wisdom is life experience well digested. When we go a little further and examine the stories in our lives, we see each one as blessing and teaching, however we have regarded it at the time. One story must end for another story to begin, and God is with every part of it. Our lives are literally gospel or "good news."
